“When I compared investment returns, REI Super was right up there with the big funds. I'm very happy with my choice”

Dan Vanderhoek,
Century 21

*REI Super's Balanced Option has achieved a net investment performance of 9.45% for the financial year ending 30 June 2023. Past returns are no guarantee of future performance, and investment returns of one year should not be relied upon as any guide to future performance. Furthermore, you should not base your decision to invest in REI Super solely on past performance. Past earning rates are not an indicator of future earning rates. The investment returns of REI Super are not guaranteed, and the value of the investment may rise or fall.

Insurance tailored for people in real estate

As your dedicated industry super provider, we understand the unique way people in real estate earn their money. So we design our insurance products around your specific needs, such as offering tailored insurance that caters for commissions.

When to review your insurance

It's a good idea to review your insurance annually or whenever you have a major life event that impacts your personal financial commitments, including:

- ✓ Buying a home or investment property
- ✓ Getting married or divorced
- ✓ Starting a family
- ✓ Family bereavement
